

ELEC 497 Departmental Approval

Send completed application to the ECE undergraduate assistant.

Last name	First name		Year of Study		Program of Study	
Proposed Supervisor Name		Session to be taken (FW/S)	Student Number	Date		

Notes: The student registered in this course works on a research project under the supervision of an ECE faculty member. The project is designed for completion in one session (two terms of Fall and Winter or Spring and Summer), with a project proposal describing the research submitted at the beginning, and a major report and presentation of the work at the end of the session. The student is required to fill this form and hand it in at the beginning of the session the course is taken. Please note, ELEC-497 cannot be done during an NSERC USRA period.
